WEEKLY @ CORNERSTONE

UPCOMING EVENTS!

AND MUCH MORE...

In this Newsletter, you will find
information about Cornerstone's
activities and ways to get involved in
our church and in our community.

We Hope to "Connect" with you soon!

The screenshot shows a user profile for Angela Crawford. The page is titled "Your Information" and includes fields for personal details, contact information, and addresses. The user's name is Angela, and her email is crawdaddywife@hotmail.com. She is currently using a Verizon carrier. Her home address is 69 Tenney Road, Westford, MA 01886, United States. The page also features a navigation menu on the left with options like "Edit Profile", "Privacy Settings", "Giving", "Family", "Preferences", "Volunteering", "Roster", "Scheduling Preferences", "Unavailability", and "Social Login".

Elvanto is the church management software that Cornerstone has been using for the last few years. Many of you may be already using the software, but now, we would like to release it to the congregation. It is a very helpful tool in keeping up with Cornerstone. A sample of what is in it - the **church calendar**, a roster of when you are **volunteering**, the **directory** of the attenders of Cornerstone (which you can update if you don't like your picture!), and a tool that shows your private **record of giving** at Cornerstone (statements will still be mailed at the end of the year for taxes), and much more!

If you would like a link emailed to you with your log in information, please email Angela Crawford at church@cornerstonewestford.com. She will also send you a short tutorial on how to easily use the system. (There is also a nifty app that you can download onto your phone!!)
