The health and safety of our Cornerstone community is of utmost importance to us. Therefore we are closely monitoring the COVID statistics and will be prepared to take any measures necessary to keep us safe. Currently, this includes requiring anyone aged 5 or older to wear a mask when inside the church building. We also have set the seats in the sanctuary in groupings of 2, 3, 4, and 5, set 6 feet apart, to encourage families to sit together and allow for social distancing.

With the COVID numbers increasing, we may feel the need to return to fully remote worship. We do hope and pray that it doesn't come to that, but will let you know as early as possible if we feel it is necessary.

Keep watching the website and Facebook page for updates.

We thank you all for your cooperation and support and pray for a healthy and blessed 2022

## COVID UPDATE 1/3/2022

Guess what?! We've moved our baptism class onto our church's YouTube channel.

So if you're interested in baptism, instead of signing up for an in-person class, which can be difficult to schedule, you can watch our four-class videos anytime you want and fill out the baptism application when you're ready.

There's still an in-person time when you meet with the elders/pastor to discuss your application and ask any questions you might have.

This is a bit of an experiment, but we think it's worth a try.
