Covid Update 2/23/2022

- Cornerstone will be following state and town guidelines in regard to COVID-19 mitigation measures.
- We will relax the mask requirement as of February 28th with mask-wearing optional for members and attenders beginning with the March 6th service. We strongly suggest that those who are not vaccinated continue to wear masks. We welcome others to wear masks as they feel the need.
- For the time being, we will maintain the current chair spacing configuration in the sanctuary.
- We suggest masks when in close proximity to others which would include small groups in the service and during the after-service fellowship.
- We will provide a link to the [CDC's symptom checker](#) and ask that all use it before coming to church (see below).
- Lastly, if you are sick or feel unwell in any way, please stay home and join us remotely.
- We will continue to monitor covid occurrences and move toward opening to a “new normal”.
- If you have any questions or concerns don't hesitate to contact one of the [Deacons](#).
