## Be Well at Cornerstone

The COVID-19 pandemic and concurrent season of respiratory illnesses including influenza as well as common colds present a challenge to protecting the health of ourselves and those around us. While we are certainly motivated to protect ourselves from illness, we also have a moral obligation to the wellbeing of our neighbors. The Deacons ask all members and attenders to please do a quick self-assessment before joining others for worship or other activities. If you feel unwell or have any symptoms of respiratory illness or have reason to believe that you are at risk for being contagious due to a recent exposure to illness, we ask that you stay home, take care of yourself, and join others virtually whenever possible. When attending church functions we recommend that folks wear a face covering. We will be continuing to monitor disease incidence in our community and among our members and attenders and will make other recommendations appropriately.
