## DISCUSSION QUESTIONS

1. What is the significance of the promises of healing and turning the hearts of people to each other in Malachi 4?
2. Is Malachi prophesying about the first coming of Jesus, the second coming of Jesus, both, or neither?
3. Is there a difference between having apathy and being lukewarm? Is there a difference in the results?
4. What is the biggest reason for you personally not to be apathetic about God?
5. What is something you have learned from studying the Book of Malachi for 8 weeks that you can share with the group?

## BE WELL AT CORNERSTONE

The COVID-19 pandemic and concurrent season of respiratory illnesses including influenza as well as common colds present a challenge to protecting the health of ourselves and those around us. While we are certainly motivated to protect ourselves from illness, we also have a moral obligation to the wellbeing of our neighbors. The Deacons ask all members and attenders to please do a quick self-assessment before joining others for worship or other activities. If you feel unwell or have any symptoms of respiratory illness or have reason to believe that you are at risk for being contagious due to a recent exposure to illness, we ask that you stay home, take care of yourself, and join others virtually whenever possible. When attending church functions we recommend that folks wear a face covering. We will be continuing to monitor disease incidence in our community and among our members and attenders and will make other recommendations appropriately.

~The Deacons

# Pray with us - Pastoral Search Committee

God we ask that you would look down on us with favor this week. Please send to us the application of the man of your choosing. Give us patience at this time and help us to see your leading in this process. We know that your timing is always best.
