All to him I owe
Sin had left a crimson stain
He washed it white as snow**

DISCUSSION QUESTIONS

1. What inspires you to persevere when progress seems painfully slow?
2. Why do we so often try to force things into existence by our sheer efforts?
3. How does the parable of sowing seed underscore God's sovereignty?
4. What do these parables teach us about how God works?
5. The parable of the mustard seed teaches that from a very small beginning God is going to make His Kingdom great and large. How does this encourage us as individuals and a church in a hostile environment?

BE WELL AT CORNERSTONE

The COVID-19 pandemic and concurrent season of respiratory illnesses including influenza as well as common colds present a challenge to protecting the health of ourselves and those around us. While we are certainly motivated to protect ourselves from illness, we also have a moral obligation to the wellbeing of our neighbors. The Deacons ask all members and attenders to please do a quick self-assessment before joining others for worship or other activities. If you feel unwell or have any symptoms of respiratory illness or have reason to believe that you are at risk for being contagious due to a recent exposure to illness, we ask that you stay home, take care of yourself, and join others virtually whenever possible. When attending church functions we recommend that folks wear a face covering. We will be continuing to monitor disease incidence in our community and among our members and attenders and will make other recommendations appropriately.

Pray with us - Pastoral Search Committee

Lord, we thank you for the applicants that you have sent our way. At this time we pray that you would guide us through each of them. Give us eyes to see what you see and wisdom as we sort through all that is before us. We pray for your will to be done among us.
