A photograph of a pumpkin patch with many orange pumpkins of various sizes scattered across a field of green leaves and brown soil. The pumpkins are the central focus, with some in the foreground and others receding into the background.

**“Then he said to his disciples, “The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field.”

Discussion Questions:

1. What do you think about the battle plan that God gave to Joshua for taking the City of Jericho?
2. What did the battle plan call for from the Israelites? What did it call for from the Canaanites of Jericho as they observed the Israelites all week long?
3. How is this battle plan an image for us of the way God works in the world?
4. Where have you seen this displayed in your life, or in this church?

“Everyone who does evil hates the light, and will not come into the light for fear that their deeds will be exposed. But whoever lives by the truth comes into the light, so that it may be seen plainly that what they have done has been done in the sight of God.”

Pray with us - Pastoral Search Committee

God, once again we are asking that you would heal Mark P. and give him your peace and strength at this time. We also pray that you would send us more candidates and that you would soon help us to bring this process to an end. We seek your guidance and wisdom as to how to proceed from here and ask you to bless our team and our church. Amen.
